

Bare your soles for a day... cover a child's for a year.

Every day thousands of Kiwi kids living in poverty don't get to choose what shoes they will wear. They simply don't own any. They are going to school during these cold winter months without shoes and socks to keep their little feet warm and free from foot injury. This has major impact on their health and learning ability.

YOU CAN CHANGE THAT!

KidsCan StandTall Charitable Trust invites you and your colleagues to bare your soles on Barefoot Business Day. Every \$20 you raise will buy a new pair of shoes and two pairs of socks for a child in need and that is something you can all feel good about!

See the reverse side for fundraising ideas, how to register your company or to simply make a donation.

On behalf of the thousands of New Zealand children who will benefit from your support, we say **THANK YOU!**
